OFFICE OF THE DEPUTY DIRECTOR

83-1931/A

7 April 1983

NOTE FOR: Larry Gershwin
NIO/Strategic Programs

FROM: EA/DDCI

Larry,

As you can see, the DDCI would like you to ensure that we make a January publication date next year, which would ensure a two-week period for senior management review. He would like to avoid what has become the usual practice of making changes at the last minute as principals are on their way out the door to the meeting.

John,

The points in your recent memorandum on NIE 11-3/8-82 were well taken. I have passed them on to Larry Gershwin and asked him to see that we structure next year's process to ensure publication by January and build in at least two weeks for senior manager review.

Sincerely,

John N. McMahon
Acting Director
